### PRESS RELEASE

#### New Sponsorship Partner

Shipton-Under-Wychwood Cricket Club has signed with a new club sponsor. The Horseshoes Gastro Pub and Restaurant in Witney, jointly owned and run by Luke Champion and Alex Vaughan, has signed a four-year agreement to sponsor the Club's 1st XI and three other senior teams.

The Club's Chairman Russell Hayes said:

*"Even during these difficult times it's possible to plan for the future. We are delighted that, when we eventually do start playing again, it will be in partnership with The Horseshoes Pub. We are extremely grateful to Luke, a long time club member, and Alex for their generosity and support. We are proud to have reached the club's centennial year, and we are looking forward to building a long term relationship with them as a part of the many celebrations that we are planning to mark a hundred years of cricket in the village."*

Luke Champion said:

*"I've always had a passion for cricket and have really enjoyed playing for Shipton-Under-Wychwood when I was a teenager, and more recently for the past four seasons. Now I am delighted to have the opportunity to support the club in a different way, both on and off the field. The club's values of inclusive fun and enjoyment are very much aligned with the philosophy that I have adopted in making The Horseshoes so popular with my customers. We are really looking forward to being an integral part of the club's centennial celebrations." Luke & Alex*
